Product overview

Xperia™ X2: Make a day at the office a walk in the park

Find more friends on Facebook™. Check out the news on CNN – or buzz your mates on Skype™. Connect, communicate, have fun – the way you want to with Xperia™ X2 and flexible panels. How do you want to play today? Personalize your panels the way you want them, and download many more from the web. With Xperia™ X2 you'll find living surprisingly less work.

How's business?

Pull Xperia™ X2 out of your pocket and find out directly. One touch on SlideView and you see directly who's trying to grab your attention. Your mails, calendar, contacts, tasks and notes are instantly updated so you never miss a trick –or a deal. Download attachments, rework then resend from wherever you are.

Pitch it perfect

Fatigue in your thumbs? Stay in touch with your customers the easy way. Use the full-touch display, or the QWERTY keyboard for messaging without the mess. And wouldn't your pitches be even more perfect when you deliver them direct from your phone to a projector via the TV out? We even added the cable.

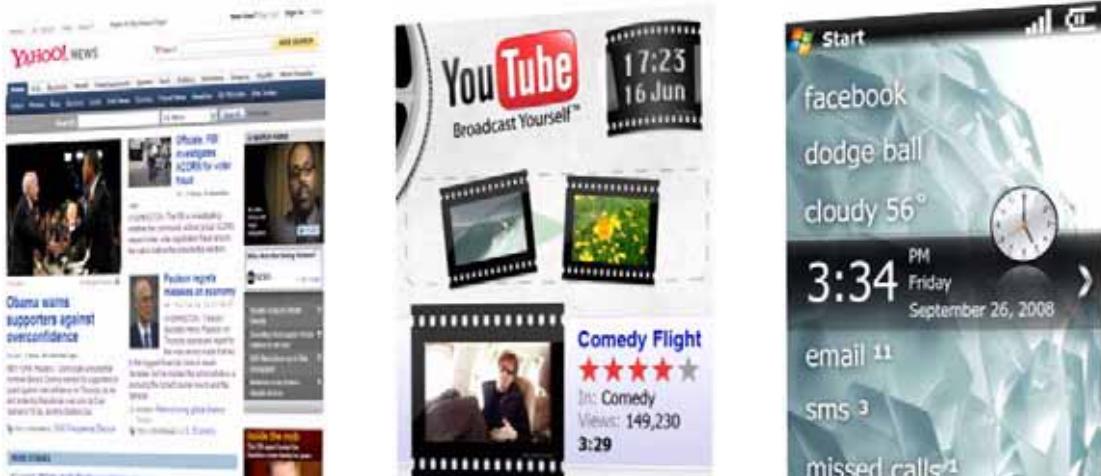

Fancy a film at the takeout?

Watch your favourite clips shine off the 3.2" DVD quality high-resolution screen. Or snap the action when the party's in full swing. One press to the web and your friends will be crawling with envy when they see your shots from the 8.1 megapixel camera. Going out? Working out? Or fancy a film at the takeout? Enjoy all the latest applications and content direct from PlayNow™.

Xperia™ X2 panel interface

The Xperia™ panel interface gives you one-touch access to several desktop interfaces. For business or pleasure, use the Xperia™ panels to enjoy multimedia and working efficiency on the go.
